#### MARKET REPORT.

28,—Cattle movement from the grazing sections continues at high tide today, 29,000 head coming in. Prices declined on grades below the best last week from 15 to 35 cents, particularly on stockers and feeders, and there is the same tendency today, the general market called steady to 10 lower. Almost one-half the supply since the first of last week has been stockers and feeders, shipments to the country last week aggregating 37,000 head, out of 75,400 cattle received. Features in the last week were a new top price for week were a new top price for prime steers, \$11, and the easing On His Regular Monthly Visits

HOURS:—9 a. m. to 6 p. m.

Always remember that good health must have its start in the Stomach, Liver and Bowels, for these organs are the controlling power and have direct influence on the entire system. If stomach weakness is allowed to develop, digestion becomes impaired, the appetite begins to wane, the liver becomes lazy and the bowels constipated thereby complicating any hidden disease which may be present and causing a lack of energy and ambition.

No doubt you have for some time had symptoms which have up of the money situation to per-No doubt you have for some ity, and range from \$6.75 to \$8.35. time had symptoms which have stockers and feeders \$6.75 to \$7.50, worried you.
